4. Founder, Managing Trustee, Chairman & Managing Director:

Mr. Arunkumar Umapada Banerjee (a.k.a. Bacchu): D.O.B: 12-Aug-1958
Diploma in Electronics Engineering (DEE) and B.E. (Electronics Engineering) (Eqvnt.)
Ex-Serviceman - CHMECH(R), (Indian Navy) Retired 31st October 1991.

Arun is the Proprietor of **Mass Enterprises** (Trading in Industrial safety and Electronics goods) and **Consultant cum Service Engineer (Dive Technical)**. He is a Specialist in Under Water Technology in Deep Sea Saturation Diving Industry and engaged in Off-shore Oil Exploration (Inspection, Maintenance and Repairs) Activities.

Arun is approved by Oil & Natural Gas Corporation Ltd. (**ONGCL**) **INDIA**, International Marine Contractors Association (**IMCA**) **UK**, and Association of Diving Contractors International (**ADCI**) **USA**.

Arun has so far worked 33 countries across the globe.

The need of work abroad had given him the opportunity to mix with the international community, learn their culture and educational system, an opportunity to compare the system back at Home in India.

In this age of fast growing electronically connected world, Arun finds the very need of and the vast gap in the teaching method, teaching culture and the curriculum in his country very demanding to get the present and the future generation properly educated in globally connected small world in international education system.

In pursuit of his passion for social work and in order to fulfill his dream, Mr. Arun Banerjee has founded the **TRUST** called **UMABEL EDUCATIONAL FOUNDATION (UEF)** on 6th June 2006 and at the same time, established the English-medium school named **BoB-Primaan International School (BPIS) & Morning Star Nursery (MSN)**.

The Trust has been running the school under his guidance and advice.

Mr. Banerjee is spending majority of his earnings in building up and running the school, where most of the students are from the families of poor villagers of the locality outside Pune City of Maharashtra State. The school is providing them with dresses, foods and other facilities against token amount of fee. Besides providing education, school is also conducting various other curriculum activities for overall growth of the students to match their standard at par with the education provided by schools in the cities. This is a selfless social work being done by Arun Banerjee towards upbringing the children of the poor villagers and paving the way of a better future for them.
